1. Order Acceptance and Cancellation

Your receipt of an electronic or other form of order confirmation does not signify our acceptance of your order, nor does it constitute confirmation of our offer to sell. We reserve the right at any time after receipt of your order to accept, decline, or limit your order for any reason, whether or not your credit card has been charged. If your credit card has been charged and your order is cancelled, you will receive a prompt refund credit to your account. We reserve the right at any time after receipt of your order, without prior notice to you, to supply less than the quantity you ordered of any item.

Once an order has been placed, it cannot be cancelled or modified unless the shipment is unavoidably delayed. In this case, we will do our best to cancel the order if requested. We sell to end user customers and reserve the right to also accept orders from dealers, exporters, wholesalers, or other customers who intend to resell the products which are offered on our site. We make every effort to maintain the availability of our site. However, should we experience technical difficulties, we are not responsible for orders that are not processed or accepted.

We accept VISA, MasterCard and American Express credit cards for all purchases. Alternatively, you may submit payment via PayPal. You represent and warrant that: (i) the credit card information you supply to us is true, correct and complete; (ii) charges incurred by you will be honored by your credit card company; and (iii) you will pay charges incurred by you at the posted prices, including all applicable taxes, if any.

All payments must be in Euro. Current billing address and phone information must be included with every order.
